The Provider School

## *Adopt-A-Student Program*

Dear Friend of Youngstown St. Joseph the Provider Catholic School,

Each year a number of students who value Catholic education are unable to begin or continue attending St. Joseph the Provider School due to family financial problems. Not all of our students are eligible to receive the State of Ohio EdChoice Scholarships. Monies are needed to assist such families with their tuition obligations.

YOU CAN GIVE SOMEONE A PRICELESS GIFT BY FINANCIALLY ADOPTING A STUDENT OR BY GIVING A ONE-TIME GIFT. An investment in the St. Joseph the Provider Adopt-A-Student Program is an investment in the life of a child, in the community, and in the future. How many gifts can you say help so much and are so far-reaching?

We can inform you of the grade level of your adoptee, but confidentiality prevents us from giving you the student's name.
