

INCLEMENT WEATHER/SCHOOL CLOSINGS

On any day in which classes are cancelled due to severe weather conditions, all other school related activities (school sponsored social events, meetings, extracurricular activities or athletic events/practices held on or away from school property) shall likewise be cancelled on that day and evening. Exception is if the host team is in session. **If the Youngstown Public Schools are closed, St. Joseph the Provider School is also closed. Please listen to the local TV or radio station news. If there is an emergency affecting St. Joseph the Provider School only, it will also be announced by the news media. A message will go out to families to announce emergency closings.**
